WARHAMMER 40K FRIENDLY

SPIRIT OF THE 40K FRIENDLY

The Warhammer 40K Friendly will be, at its core a casual event. It is NOT a tournament. The emphasis will be on meeting new, likeminded people, rolling dice, having a laugh and enjoying a great game of toy soldiers in a great atmosphere.

To make this event all the more memorable for both yourself and others, players are **STRONGLY** encouraged to bring flavorful, thematic, and/or hobby-inspired lists that reflect the rich background of the Warhammer 40,000 universe, and also their own diverse imaginations. While there will be awards and prizes, winning games will NOT have any bearing on any prize being awarded. The Warhammer 40K Friendly will be about the overall journey, one where your individual performance should be of secondary concern, and just killing that damn invulnerable drop pod, or winning combat with grots is waaaay more important!

If this is your idea of a great way to Warhammers, then you have found the right event, so sign up ASAP as places are already filling up!

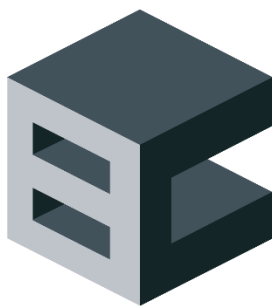

WARHAMMER 40K FRIENDLY

READY, SET, GOAT.

Your Army will be a single Faction 1250 points “Strike Force”. Usually lists would be limited to no titanic or primarch units, this year however we are changing the format slightly. This year there will be no restriction on such units however lists with units that include these keywords will be judged more harshly.

Lists are to be submitted via the official form. Lists will be vetted, if you do not receive any communication your list is deemed to be ok. If you do not submit your list, prior to the event, your list will be vetted on the first morning with no opportunity to adjust it. This process may have models or units not be allowed to be fielded or you may be given a predetermined list to use instead.

Army lists are to be submitted before Midnight Friday 12th of January.

Send any List enquiries to : canconfriendly40k@gmail.com

VP for games will be scored as per 40k Friendly Mission Cards. If you don't have a set they will be distributed on Day 1.
